EVERY WEDNESDAY AND SATURDAY

Half an ABBA do!

Girls the missing X Factor

HURRAH! It's the return of the Dominik Diamond Saturday Night Telly Predictathon!

Where I use my skill and judgment to predict what's going to happen on the best telly night of the week.

Think about it as being like the fantastic horseracing pages you get in this paper. Without the number bits.

So here is the Dominik Dozen this week:

1 It's an Abba special on X Factor, but ITV won't have managed to get any of the chicks from Abba to appear.

Don't get me wrong, Abba were an amazing band and were all great artists, but to get one of the blokes is like having a Coldplay night and only having the drummer.

2 The MacDonald Brothers dress up as Anna and Agnetha and do Chiquitita in drag.

They murder it as usual. But again, inexplicably, get through.

3 Ray will crack during his performance of I Have A Dream and storm off saying, "who the f*** are Abba anyway?"

4 Louis Walsh at one point will say: "Abba wrote some brilliant pop songs and you are a brilliant pop singer." To someone.

Sharon will tell someone: "You were out of your comfort zone tonight."

5 Kate Thornton's dress will once again be way out of her comfort zone.

6 Robin Hood will once again feature some tiny wee anti-Christian/pro-Muslim comment.

7 Millions of men will look at Marian and say "her nose is like a bleedin' boxer's". But inside they will all be desperately wanting a close quarters clinch with her.

8 Just at the tense moment of Robin Hood, one of the little buggers from the nearby estate lets off a firework in your street and makes you cack yourself.

9 Everyone watching this stuff in real life - will believe in ghosts for the hour it's on.

10 Vernon Kay will at one stage do a silly little dance on All Star Family Fortunes.

11 I will not watch "Strictly Come Change The Direction of Your Career" on BBC1.

A NEW version of Feng Shui has been developed to give your shed inner energy. It's called Feng Sheddy. Congrats to whatever new age charlatan came up with this guff. I hope they make a bundle out of middle-class dimwits who still don't realise Feng Shui is Japanese for "pay me loads of money and I'll tell you a room looks better when it's tidy".

Fishy tale as finger points to Captain

SHOCKING statements on Sky News yesterday: Fish might be gone in 40 years unless we stop trawling the oceans.

Holy cod! How does it happen? I know we take a lot out of the sea but the plan is that Mr and Mrs Haddock have lots of little baby haddock to replenish this.

So is the ocean full of lady haddocks who just want to be friends. "Get your fish fingers off me, sunshine, I've got a headache!"

Actually I reckon this might be all down to Cap'n Birdseye, who for years has gone around taking all the fish fingers.

Without fingers fish can't do their hair or put on makeup. This means they look less attractive - so they don't get their leg over.

No. Of course not. That idea's daft. Technically they refer to it as "getting your fin over".

ITV must Play fair

ITV IS not showing live footage of I'm A Celebrity Get Me Out Of Here this year.

Instead it will be having highlights packages and then carrying on with this disgraceful ITV Play quiz show thing.

It's proving to be more addictive than crack for poor muppets who think they've got a chance of winning big cash prizes.

In fact as it stands it's an even bigger rip-off than when you phone up to vote on I'm A Celebrity Get Me Out Of Here.

YOU'VE gotta feel sorry for Madonna after everyone and their mother took the mick out of her at the MTV awards this week.

All that money. All that fame. And she still can't get the one thing that has driven her all her career. To be thought of as cool.

STICK-thin celebs like Pete Doherty are being blamed for the rise in male anorexia. I can assure concerned readers that there is none of that going on in my house.

It's a load of Pollocks

NEVER before has an artist been more appropriately named than Jackson Pollock. Because to just drip some paint on a canvas and say it's great art is a complete load of Jackson Pollocks.

And now one has been sold for £73.6million. That's obscene.

For that money you can cure stuff. You can feed millions. You can change the course of history. Instead some Mexican bloke's decided to

punt it on the kind of stuff my two-year-old kid knocks out while he's watching Bob The Builder.

Even the title is rubbish. No 5, 1948. If I was spending that kind of money on a painting I'd at least want a proper name.

The best way to show just how daft the art world is at this level is not the sale of this painting, but the one that WOULD have been previously the most expensive in the world. Steve

Wynn - who owns all the big hotels in Las Vegas - was due to sell a Picasso portrait last month. The buyer was found. A financier by the name of Stephen Cohen. A price was agreed: £73m. Then one night Stevie boy was showing it to some mates. And he accidentally stuck his elbow through the canvas.

So next time one of the kids knocks a vase off a table - just be relieved it's not "art".

THE world's biggest ship docks in Suffolk today from China - with thousands of Christmas presents. It includes 12,000 M3 players, 8,000 pairs of trainers and 1,500 illegal Immigrant Action Dolls.

These are life-size, lifelike and... hang on... where the hell have they run off to?

RIFT SPARKED TRAGEDY

SO SAD: Leukaemia sufferer Adam with little sister Hannah, who died in the house fire

Fireball killer father is dead

by JOHN MAHONEY

A SPURNED dad who killed his wife and four daughters by turning their home into a blazing inferno died in hospital yesterday.

Detectives had been waiting to quiz 49-year-old Mohammed Riaz, who was the only one pulled out alive from Tuesday's 2am inferno.

But he never regained consciousness from his 50% burns and died at 8.33am.

Strict Muslim Riaz, a plastics factory worker, was the police's prime suspect for the blaze which detectives say was started from inside the end-of-terrace family home in Accrington, Lancs.

He was sleeping downstairs, as he had been since his marriage to Caneze hit a rocky patch six months ago. The children and their mum had been asleep upstairs when the house was torched.

Sayrah, 16, Sophia, 15, Alicia, 10 and three-year-old Hannah all died, along with their mother.

Trouble

A police spokesman said: "We are not looking for anyone else in connection with this investigation." Riaz's 20-year arranged marriage to anti-racism campaigner Caneze, 39, was in trouble and police believe she had been seeing another man.

Only hours before the arson attack she had been spotted having dinner with a mystery man in Manchester. They had also visited Caneze's son Adam, 17, who is terminally-ill with leukaemia in Wythenshawe Hospital.

Last night a neighbour said: "Our thoughts are with Adam in hospital and the terrible, terrible plight he must be going through."

'TIN SNUB IS POPPYCOCK'

Brit Legion slams store

APPEAL: Katherine Jenkins

STUNNED veterans have slammed Tesco for refusing to sell poppies in some stores because of "security".

The supermarket giant's snub is a big blow to this year's fundraising campaign, fronted by opera diva Katherine Jenkins, 26.

A war of words broke out after bosses at one of Tesco's busiest stores in Broad Street, Birmingham, told Royal British Legion members tins could not be left at tills.

Store chiefs said they did not have enough staff to guard the money, and the firm then confirmed tins were banned from most Tesco stores.

Legion member Brian Shepherd, 68, said: "It's an insult to the people who

by JERRY LAWTON

lost their lives fighting for this country.

"They did not worry about security when they were in the war."

British Legion bosses are urging people to take advantage of a hi-tech way to give money to the appeal.

Supporters can text the word POPPY to 85099 and download one of three poppy images to their mobile in return for a donation of £1.50.

A Tesco spokesman said: "We fully support Remembrance Day, poppy wearing and the Royal British Legion."

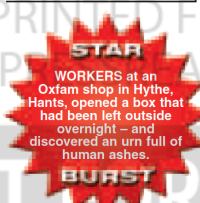

"The main reason boxes are not on tills is because of the high risk of theft. It also increases queue sizes as people search for change."

"Poppies are available to staff in the canteen and in reception."

Tesco added that Tesco Express is selling poppies and British Legion members will still be collecting outside the vast majority of stores.

● A poppy seller was robbed of £100 in a Sainsbury's store near Basildon, Essex.

OWN THIS VW CAMPERVAN FOR PENNIES

It could be all yours by 7pm Monday!

YOUR Daily Star is giving you another chance to pay pennies for your dream VW Campervan.

In our auction with a difference it is not the highest bidder who drives away with the fantastic prize, it's the Daily Star reader who makes the **LOWEST UNIQUE** bid.

This fantastic van could be yours by 7pm on Monday!

HOW TO ENTER

1 Choose a bid which you think might be the lowest unique bid. You can pick a bid amount from as little as 1p to as much as £1000.

2 Your bid must be sent to us in pence format. For example, £5.25 would be 525 or £10.60 would be 1060 in pence.

3 TEXT: Send a text message that starts with the word BID. Then leave a space and enter your bid in pence. For example, if you bid £1.20 your message would look like this: **BID 120**. Send this message to **88100**.

4 TO CALL: Dial **0906 751 3078** and follow the instructions. And remember – all you pay for is the phone call, not the amount you bid.

5 You will receive a text telling you whether your bid has been successful.

We will then also send you a FREE text message if your bid status changes.

The winner will be the person with the lowest unique bid registered when the auction ends at 7pm on November 6, 2006.

The lowest unique bid will be a binding legal contract for the sale of the campervan by Northern & Shell to the bidder. Northern & Shell's record of each bid is the official record of bids. Northern & Shell and suppliers will not be held responsible for any breakdowns in communication systems or networks that could result in a bid not being registered or a text message not being received. The successful bidder will be contacted after the close time and must agree to publicity. For all SMS services, you may receive other related promotional offers/services. by CAMERON MILLAR

KATE Moss stuck two fingers up to Britain's fashion Oscars - to go partying with Pete Doherty.

The catwalk queen was to be crowned Model Of The Year at the British Fashion Awards in London's Victoria and Albert Museum. But many of the big names who stuck by the 32-year-old during her cocaine row last year were left gutted as she skipped the event to hang out with her fiancé.

Gratitude

A show source raged: "So many fashion people supported her after those cocaine pictures came out. You'd expect her to show a little gratitude."

"Instead, she's thrown it all back in our face. It's pretty rude, but not unexpected." Instead of going to the event, Kate went to the Barbican Theatre, followed by dinner at east London's trendy St John eaterie.

She and Doherty, 27, then packed their bags and headed out into the night.

A pal of Kate said last night: "Kate just does not go to big awards ceremonies."

BUBBLY: Sexy Bianca likes to let off steam on her nights out and, right, her ex stepdad Paul Gascoigne

Get-tough treatment

A HOSPITAL yesterday became the first in Britain to dish out on-the-spot £80 fines to yobs who abuse and attack its medical staff.

Police will patrol the Accident and Emergency department at Royal Bolton Hospital, Lancs, to crack down on unruly patients.

Between April and September, 40 people were evicted from the hospital's A&E for bad behaviour.

Dr Richard Parris said: "This is the tip of the iceberg as staff don't always report incidents."

Gun raid rap

THREE men were charged yesterday over a failed building society robbery in which gunman Robert Haines, 41, was shot dead by police.

David Jenkins, 60, Dean Jenkins, 39, and Ben Greham, 21, are accused of robbery at New Romney, Kent.

CORKER BIANCA

Diamond girl sparkles

SAUCY Bianca Gascoigne has revealed she always dresses to thrill on big nights out by slipping into sexy lingerie.

The Love Island babe, 19, told how she loves to wear a pair of sizzling lace suspenders covered in diamonds.

Her daring outfits even caught the eye of rap superstar 50Cent at a recent showbiz bash.

Sexy

Bianca, former stepdaughter of England football hero Paul Gascoigne, said: "I spend ages getting ready. It's always good to look your best and sexy."

"Victoria's Secrets is my favourite place to buy lingerie from."

"They've got great cuts that fit my body brilliantly. My favourite item of

clothing would be some sexy suspenders I have, which are lace with diamonds all over them."

Rapper Fiddy, 31, was so impressed by Bianca's Greek goddess-style dress that he told her she should be made into a statue.

The brunette beauty is careful to avoid any Janet Jackson-style wardrobe malfunctions when she is partying, but admits she had her fair share on Love Island.

She giggled: "The cameras were on us all the time and sometimes I'd just pop out unexpectedly."

"It happened to all the girls. There's probably some pretty interesting footage in an archive somewhere."

Vauxhall MasterFit

When you need tyres for your Vauxhall you may think the cheapest place would be Kwik-Fit. But independent research* has found that for 8 out of 10 fully fitted tyres, you'd be wrong.

• Tyres • Brakes • Batteries • Servicing • You're miles better off at Vauxhall MasterFit.

Contact your local Vauxhall MasterFit today.

*Independent research was carried out in August 2006 by KGS Ltd. They called 100 outlets (50 Vauxhall MasterFit retailers and 50 Kwik-Fit retailers). In each case they contacted and compared the prices of the Vauxhall MasterFit and Kwik-Fit retailers in the same geographical area. The research was carried out on Vauxhall MasterFit's top selling tyres including Bridgestone, Continental, Dunlop and Pirelli. The research found that in 8.7 out of 10 cases the Vauxhall MasterFit retailer was cheaper than the local Kwik-Fit retailer when comparing the tyre price including fitting, balancing and environmental disposal.

PRODIGY are currently recording their last ever album with London DJ outfit **The Backstage Sluts**. Wonder if they're re-doing **Smack My Bitch Up**...

CAUGHT LIVE

THE FEELING Shepherd's Bush Empire, London

THEY'VE been labelled "the musical equivalent of bumfluff" and much ruder besides.

But there's no denying **The Feeling** are one of the few bands capable of bringing a glow to frost-bitten cheeks.

The quintet possess an acute sense of melody, effortlessly fusing late 70s grooves with sweet FM harmonies. On stage,

energetic frontman **Dan Gillespie-Sells**, left, did his best to follow the rock 'n' roll gig handbook. But he wasn't too proud to offer his watching mum a cheesy wink and smile.

Who'd have thought a band who spent years at a ski resort performing **Supertramp** covers could sound this good?

JAMES CABOOTER

Em back! New album for rap king

HARD AT WORK: Eminem

EMINEM has come out of retirement.

The 34-year-old rapper, who this time last year vowed to focus on behind the mic work, is recording a new album.

The good news was delivered to me as I chatted to his pal **Akon** about their collaboration on the immense single **Smack That**.

Akon revealed: "Eminem told me he was getting bored with everything, which is why he took a break. But he's back working on an album and I've got some records ready for him to use on it."

"I know him through **Obie Trice** and we've talked about doing something together for so long, but our schedules made it impossible."

"It was our chemistry that got him out of retirement."

It's a huge compliment to Akon,

EXCLUSIVE

who topped the UK chart with his single **Lonely**, and album of the same name.

The tune is already a Top 10 download hit and I'm expecting it to flood plenty of CD copies after its official release on Monday.

Akon continued: "Eminem is a cool guy. I've also worked with **Snoop** on my new album **Convicted**. "He's really good fun to be in the studio with as he doesn't take anything seriously."

Charity

One issue on which 27-year-old Akon does have a serious viewpoint is **Madonna's** adoption of African baby David Banda.

He insisted: "I love the idea. I'm glad Hollywood actors are bringing such awareness. It's contributing to making changes."

"I have my own charity and we're building schools in Africa. You have to do your bit. I'm proud to."

Akon is also generous with his spare time, enjoying the dating scene as a bachelor boy.

He laughed: "It's easy to meet girls so I date, but nothing full-on. It's impossible to have a girlfriend and I wouldn't want the distraction right now."

"But I'm enjoying myself, that's for sure."

FERRY SPOOKY BUS

DANCE dude **Ferry Corsten** called in a voodoo expert to exorcise his tour bus after a string of disasters.

The vehicle is the same one **George W. Bush** used for his 2000 campaign and has been taking **Ferry**, 32, to gigs supporting **My Chemical Romance**.

A source said: "The tour has been beset by problems - roadies falling ill, tyre bursts and a whole lot more."

"Ferry got a voodoo ceremony in New Orleans to do a ceremony. He isn't that superstitious ... but there haven't

been any problems since," Ferry's new single **Junk**, featuring rapper **Guru**, is out on Monday.

TAKE That are to launch new album **Beautiful World** with an intimate performance at the famous **Abbey Road** studios.

I can reveal the manband will do a set for **Radio 2** on November 22, ahead of their comeback record's release the following Monday.

By then, I'm pretty certain single **Patience** will be topping the charts.

ONE SUGA...

KEISHA Buchanan, 22, has been enquiring around the music industry for someone to manage her solo career.

Although **Sugababes** are releasing a Greatest Hits collection they have been promising fans new album in the new year.

However, a source told me: "Keisha is looking for a manager saying she wants to release a solo record. She's been turned down by one but doesn't seem deterred."

Will that mean another line-up change for Hot's fave female trio?

MOTT

UNCUT Magazine has named its Top 50 albums of the year. I'd rate **Razorlight**, **Muse** and **Kasabian** ahead of their No.1 - **Bob Dylan**. 65. But then again the mag is favoured by oldies.

SHOT

KITTENS ARE BACK

ATOMIC Kitten are reforming. Yes, the trio will be **Whole Again** - but for one night only.

Jenny Frost, 28, **Liz McClarnon**, 25, and **Natasha Hamilton**, 14, are headlining a show in Liverpool on December 4 in support of jailed British footie fan **Michael Shields**.

He was locked up in Bulgaria after

an attack on a waiter. Somebody else confessed - but **Michael** has still not been allowed to return home.

Ricky Tomlinson, 67, and **Radio 1's Chris Moyles**, 32, are joining the Kittens to help raise money to pay for the transfer of **Michael** to a UK prison while waiting for the Court Of Human Rights to assess his case.

Hot Aggi chills out

NIGHTS might be turning a bit parky, even in Tinseltown, but **Christina Aguilera's** not one to disappoint a crowd.

The 25-year-old donned skimpy chic for an anniversary party at the Hollywood **Palladium**. **Attagirl**, **Aggi**.

STRIPPED MISS BRITAIN DANIELLE DEFIANTLY TELLS ORGANISERS...

'You can't have my crown back'

DATING: Danielle with Sheringham

by CAMERON MILLAR
FORMER Miss Great Britain Danielle Lloyd has refused to return her £6,000 crown after being stripped of the title.

The sexy star can't bear to part with the glittering headgear because she is so upset about being axed.

Curvy Danielle, 22, was dropped after it emerged she had been secretly dating footballer Teddy Sheringham before he helped crown her the winner.

Now organisers are determined to retrieve their 60-year-old crystal crown.

A spokesman said: "She has said she is not going to give the crown back. But she must realise that this is not hers to hold on to now that she's no longer Miss Great Britain."

Danielle claimed she got together with the 40-year-old West Ham star after catching his eye during Miss Great Britain judging in February. But she let slip in an

SCANDAL: How we told you

interview he bought her a pair of £7,000 Jimmy Choo shoes last Christmas, two months before the Miss GB final.

Naked

Danielle claims the real reason she was dropped was for posing naked for a mag. The magazine went on sale in America yesterday.

But the Miss World spokesman fumed: "This crown has

been worn by Miss Great Britain for 60 years and it carries a lot of heritage with it.

"It is adorned with crystals and the Union flag. It is an important part of the event. We will be speaking to her over the next few days to change her mind."

"She must realise that this is not her property."

A source close to the event said: "If the crown was put on eBay, it would go for a song. The organisers are very keen to get it back before the situation gets out of hand."

Last night Danielle was standing by her story that she met Sheringham after the Miss Great Britain contest.

She told the Daily Star: "I can't say much about it at the moment but I can assure you that Ted and I had never met until the night of the contest of Miss GB. In fact, I didn't even know who Ted was."

Organisers will announce her successor shortly.

PETER CROUCH

Kids draw him as big friendly giant

by REG ROBERTS

LANKY Liverpool ace Peter Crouch left a lofty impression on a group of schoolkids yesterday, as these hilarious pictures prove. The 6ft 7in England striker towered above the youngsters as he launched a kids' safety scheme at St Mary's primary school in the city.

And when they were asked to draw a picture to remember the day by, the cheeky nipper had the 25-year-old with his head in the clouds.

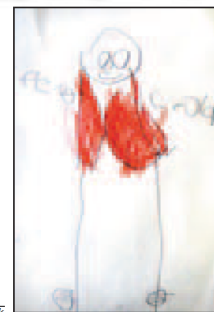

Others, like the one above, showed him with legs stretching all the way up to his head.

Crouch was promoting the Cats' Eyes For Kids scheme, which urges children to wear reflectors so they are seen by drivers this winter.

UNWANTED: Lovely Elle

Bidders snub lot of Elle

SUPERMODEL Elle "The Body" Macpherson put herself up for auction at a celeb charity event this week - but was left red-faced when NOBODY bid.

The gorgeous Aussie, 42, was at the Riders For Health charity bash in London, where the main auction item was a high-performance Ducati motorbike.

One guest splashed out £3,000 on one of Elle's leather jackets after she threw it into the ring, but not one bid was raised for a date with the six-foot ex-Sports Illustrated model.

Buzz

One guest said: "When Elle put herself up for auction a buzz went round the room."

"But when the host asked for the first bid the room fell silent."

"I don't know if the men were a bit intimidated by Elle's looks but it was a bit embarrassing."

"Elle took it all in good humour though, and cracked a joke about it."

"Those who could afford her must have been mad."

THE start of the new Borat film has been seen 1.2 million times on video-sharing website YouTube. The four-minute clip of the spoof Kazakhstan reporter, created by Sacha Baron Cohen, 35, was the 10th most popular video on the site last month.

Condom sex risk

YOUNG people around the world have the same attitude to sex.

And their "misguided views" are putting them at risk, research in medical journal The Lancet warns.

It found women won't carry condoms because they don't want to appear "loose" and young men are under pressure to have sex.

BLOBBY ROBBIE

★ ROBBIE Williams looked rough when he stumbled out of a US nightclub looking pained - and porky - last night. The Rudebox singer, 32, startled fans as he and his double chin emerged from trendy West Hollywood venue Hyde.

A BEER company based in Shakespeare's birthplace has been ordered to stop using his name because it has been hijacked by Austrians.

Shakespeare's Brewery in Stratford-upon-Avon is being forced to change its title by a firm based in Vienna.

The Austrian company calls itself Royal Shakespeare and has demanded the UK firm stop using The Bard's surname.

To add insult to injury, the Austrians, known for sausage-eating and the waltz, don't use any references to the playwright to sell their beers.

But the British brewery's entire beer range is named after his works.

Their drinks include The Tempest, The Taming Of The Brew and The Scottish Ale - after Macbeth.

Director Derek Hawyes is now rebranding his firm the Bard's Brewery because he cannot afford an expensive court battle.

He said: "It's a disgrace. It would be

like me telling them to not use the name Mozart in their business."

Jackson International secured a European Union and worldwide commercial trademark for Royal Shakespeare in 2000.

And their lawyers wrote to Derek, 34, ordering him to stop using the name.

Heritage

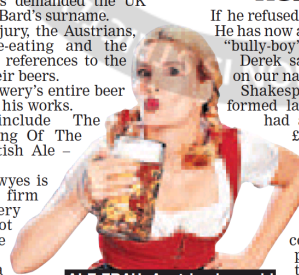

If he refused, they threatened to sue. He has now accused the Austrians of "bully-boy" tactics.

Derek said: "They are preying on our national heritage."

Shakespeare's Brewery was formed last September and has had an annual turnover of

£55,000. The letter Derek received said: "Our client owns the trademark 'Royal Shakespeare'."

"This sign enjoys full protection from all countries of the European Union, and in particular the UK."
